

Horace Brooks

MC

T/Sec Lieut.
8th Battalion

15th Feb 1919
30th July 1919

For conspicuous gallantry and good leadership near Biastre. He carried out a series of daring reconnaissances between Oct 10th and 12th 1918. On one occasion, he brought back an accurate report of ours and the enemy's dispositions. He behaved fearlessly throughout the operations, and after his company commander was wounded displayed remarkable coolness and judgement in handling the company.
