

Community Tree Planting

Saturday 24th November

10-1pm at Pit Wood, Ham Hill

As part of National Tree Week, the Friends of Ham Hill have secured a grant from The Conservation Volunteers to plant 250 young trees in Pit Wood.

Come along and help the rangers to plant a wonderful mixture of native tree species including oak, hazel, hawthorn and field maple.

All are welcome; we'll provide the tools, some instruction, tea, coffee and even biscuits but if you have a spade please bring it along.

All children **must** be accompanied by an adult.

Meet in the Limekiln car park at 9.30am to allow travelling time to Pit Wood.
