

CORONAVIRUS

STOKE COMMUNITY HELP PROJECT

Are you showing symptoms?

Are you self-isolating for any reason?

Are you pregnant, or have underlying health problems and find it difficult to get out of the house now?

Are you over 70 and in “lockdown”?

DO YOU NEED ANY HELP WITH:-

- Shopping delivered
- Prescriptions
- Posting mail
- Talking to someone on the phone now and then if you’re feeling isolated

THEN SOMEONE IN THIS VILLAGE CAN AND WILL HELP!

A group of volunteers from all organisations across Stoke have banded together to provide a Community Help Service so we support the most vulnerable in our village. There is no charge for this service. Volunteers will NEVER ask to come into your house. All volunteers will carry officially numbered ID badges issued by the Parish Council.

IF YOU NEED HELP - JUST CALL **STOKE COMMUNITY SHOP ON 01935 509100**

Monday to Friday 9am – 1pm, and 2pm – 4pm

Cash only for shopping deliveries please.

(We hope to be able to accept cards in the future)

THE SHOP WILL ARRANGE SOMEONE TO CONTACT AND HELP YOU.

(Please do not use this service if you are able to get out and about)
